Payment Disclosure

Payments must be made via PayPal to the creators' address. The set-up fee is required to **start** your project, the remaining amount owing is required to **finish and deliver** your project. The set-up fee is 100% refundable up to the point at which the entire balance is paid. By paying the remaining balance owing, you agree you are satisfied with the finished project and understand there is no exchanges or refunds once your remaining balance is paid and your skin is delivered. You are responsible for sharing your requests directly with your creator, your creator cannot read your mind.

100% refundable deposit if you change your mind before you make your final payment!
